TO WHOM IT MAY CONCERN

Dear Sir,

**Vanda Pty Ltd**

We have been dealing professionally with Vanda Pty Ltd over many years. They have completed the following recent projects to a good quality and in a timely manner:

<b>Project Address</b>	<b>Project Type</b>	<b>Value</b>	<b>Completion date</b>
Chatswood	Res alterations	\$ 1,092,349.00	20 December 2005
Clovelly	New house	\$ 1,893,437.00	22 December 2006
Wahroonga	Res alterations	\$ 909,618.00	8 November 2007
Artarmon	Res alterations	\$ 1,267,010.00	19 June 2009
Killarney Heights	Res alterations	\$ 436,926.00	15 April 2011

The above projects involved all trades and some difficult sites. The project in Artarmon required a deep cellar to be excavated under the existing house and some careful excavation and hand underpinning was carried out satisfactorily.

Yours faithfully
